Product Description MEGA COMBO Package Maintenance
(Motul+Honda+Hamp+Skunk2)

Description

This MEGA combo package contains:

- 1x Motul 8100 motorolie 5 liter 5W40 full synthetic
- 1x HAMP Synergy oil filter
- 1x Skunk2 Magnetic Drain Plug Set for sump and transmission
- 3x OEM HONDA MTF-3 Manual transmission Oil

This kit offers most of the parts to service your Honda. The fluids can be used on almost every Honda and the fuel filter will fit on all the 88-12 Honda's.

To make your service complete we also offer coolant and fuel/air filters and other parts for each specific model. You can find the model specific parts in the category service parts after selecting your model.

We also offer other combo package when you want to give your Honda a small service or oil change

Maintain your car just as Honda intended with this complete kit.

Applicable to:

- All Honda Models
- Honda (We offer a different package for the S2000 model)
